Medicaid Reimbursement Rate Changes for Culpeper and King George Counties - Effective January 1, 2006

The purpose of this memorandum is to inform you that, effective January 1, 2006, Culpeper and King George Counties will no longer be considered Northern Virginia (NOVA) localities.

For the purposes of billing Medicaid, the Commonwealth of Virginia is divided into two localities, Northern Virginia (NOVA) and the Rest of the State (ROS). Effective January 1, 2006, Culpeper (FIPS Code 047) and King George (FIPS Code 099) Counties will change from the NOVA reimbursement rates to the ROS reimbursement rates for Medicaid Services. The services and rates affected by this policy change will be updated accordingly in the DMAS Provider Manuals located on the DMAS website (www.dmas.virginia.gov).

This policy change follows a recent ruling for Medicare payments by the Center for Medicare and Medicaid Services (CMS) - Department of Health and Human Services. On July 14, 2005, CMS released the Medicare Program Rules, Home Health Prospective Payment System Rate Update for Calendar Year 2006. This new ruling changed the payment status of Culpeper and King George Counties, removing them from the Washington D.C./Virginia/Maryland metropolitan statistical area. The CMS rule is located in the Federal Register, 42 CFR Part 484/Volume 70, No. 134.

The rule can be found online at www.setonresourcecenter.com/register/2005/Jul/14/40788A.pdf.

Listed below are the localities and their corresponding FIPS (Federal Information Processing Service) Codes, which will remain in the DMAS NOVA area, effective
